Oakland University
recognized for 8 top
degree programs in the
U.S.

 April 1, 2021

SHARE THIS STORY

Oakland University has been awarded top ranking status for multiple degree programs by Intelligent.com. The university was listed among thousands of public institutions in the nation, and the comprehensive research guide is based on an assessment of 2,277 accredited colleges and universities. Each program is evaluated based on curriculum quality, graduation rate, reputation and post-graduate employment.

The 2021 rankings are calculated through a unique scoring system which includes student engagement, potential return on investment, and leading third-party evaluations. Intelligent.com analyzed thousands of schools with comparable programs on a scale of 0 to 100, with Oakland University making it to the final list for eight degree programs.

The methodology uses an algorithm that collects and analyzes multiple rankings into one score to easily compare each university's degree program. Click the links below for more information about the rankings.
