

COMMENCEMENT MAP

Oakland University offers multiple entrances and exits to make your visit to OU safe and convenient. The map above provides a guideline for the best entry and exit routes for you, depending upon your location.

The P1 parking lot is the most easily accessible and fastest entry and exit point on commencement day. Once parked you will have approximately a five-minute walk to the **O'Rena**.

PLEASE NOTE:

- **Pioneer Drive** is the most efficient entry from and exit to Squirrel Road. If possible, please use Pioneer Drive.
- **The P18 parking lot** is handicap accessible parking only.
- **The O'Rena circle drive** is reserved exclusively for senior and handicap drop-offs.

Please enjoy the ceremony.
